Insurance Cards

We will ask you for your insurance card and check your picture identification each time you visit. Your insurance cards must be available at the time of each visit. If your card is not available, you will be asked to sign a waiver agreeing to be responsible for payment, and we may collect the full payment due. We submit claims to most insurances, although it's your responsibility to verify with your insurance company that we are a participating provider, and there are no geographic, preexisting conditions or prior authorization limitations. Plans vary within and between insurance payers and policies regarding prior authorization may changes frequently.

Copays, Coinsurance and Deductible

Copays are due at the time of check-in. Copays are set by your insurance, and we are obligated to collect these fees. If you have a deductible plan that will impact your visit, you will be asked to pay at the time of service. If not paid at the time of visit, an additional \$10 processing fee will be applied. If you call us later in the day with a form of payment, this surcharge will be waived.

Specialist Procedures

As part of an ear nose and throat examination, an endoscopy may be felt necessary to complete the exam. Your insurance company may consider this a surgical procedure and applicable copays and patient responsibility may apply. If a hearing test is needed in addition to your office exam, your insurance company may apply an additional copay. Also, some insurance companies will only cover hearing tests for certain age groups or certain diagnosis. We encourage you to be familiar with your plan benefits.

Referrals

If you need a referral to be seen in our office, please contact your primary care physician to arrange for this. This must be available on the day of service. If this is being sent to us directly, you can contact our billing office at 505.820.9945 to verify its receipt. If a referral is needed and not available at the time of your visit, you will be asked to pay out of pocket.

Self-Pay Policies

Self-payments are due on the day of visit. Payment plans are available as recurring credit card or debit card transactions for balances greater than \$300.00. Please contact our business office at 505.820.9945 if you need to make special arrangements for payment. We will make every effort to assist you.

No Shows

Cancellation of appointments should be made at least 48 hours in advance. This courtesy allows us to schedule and serve other patients. We reserve the right to bill you \$75 for a missed appointment.

Past Due Accounts

Patients who have not made an effort to make payment arrangements and have not expressed an interest in meeting their financial obligation may be turned over to a collection agency. Patients who have allowed their account to be turned over to an agency will be expected to satisfy their financial obligation prior to scheduling any future appointments.

Returned Checks

There will be a \$50 charge for a check returned by the bank.

Financial Responsibility for Minors

The parent or guardian who brings the minor patient for care in our office will be fully responsible for any out-of-pocket expenses to be paid at the time of service.

Finally...

Your insurance is a contract between you and your insurance group plan. While we have an experienced billing staff, it is not possible for us to know the details of each plan. We are happy to assist you in any way that we can to determine your coverage and meet patient responsibility prior to and after your visit to our office. Please contact us at 505.820.9945 with your questions and concerns. We look forward to serving you.
